The Salvation Army has been serving the district of Gawthorpe (near Ossett) for nearly 125 years, and is now the only Christian church within the village. We are both a community centre and a worshipping community. Services are held at 10.30am and 6pm on Sundays.

On Mondays and Tuesdays two lunch clubs are held, from 12:30 – 1:30 pm, serving hot meals to senior citizens. In addition, we have a house group and a friendship and fellowship group which meets 2:00-3:00pm each Monday, and we also run two parent and toddler groups.

The Salvation Army also work in the partnership with West Yorkshire Probation Service, providing a work site for Community Service, as well as sharing in child care with the neighbouring Maypole Children's Centre.
